LinkedIn profile | Github.com | Yahoulbo-portfolio

Profile: Highly motivated and passionate computer scientist and detail-oriented front-end developer with a strong track record of creating responsive and user-friendly web applications. Proficient in a wide range of technologies including React.js, TypeScript, Node.js, and MongoDB, with expertise in high scalability using Next.js. Known for efficient problem-solving abilities and a deep understanding of software development principles. Committed to continuous learning and staying up-to-date with the latest technologies to deliver cutting-edge solutions. Eager to contribute skills and knowledge to drive innovation and success in challenging projects. Currently seeking an internship opportunity to further enhance skills in HTML, CSS, and JavaScript while gaining practical experience in a professional environment.

Skill Acquired:

- ❖ Front-end Development: React.js, TypeScript, HTML5, CSS3, JavaScript
- ❖ Backend Development :Node.js, MongoDb
- ❖ Framework: Next.js, Express.js
- ❖ Problem Solving
- ❖ Software Development principles
- ❖ Continuous Learning
- ❖ Innovation

Education:

Cisco Network Academy, Ahmadu Bello University 2023

Certified JavaScript Developer

Student in Computer science in Ahmadu Bello University 2023-2024

Level 200

Personal Experience:

Responsive web application using React

- Developed a platform to address real-world issues, enabling students and faculty members to create and share diverse content, including blogs. The platform boasts 150 active users and facilitates interactive engagement through commenting functionalities. Leveraged technologies such as React, MongoDB, Express, and Node.js for robust development and implemented enhanced authentication mechanisms for improved security.

  The link of the project is Distance-learning-blog .

Responsive E-commerce Website TchadCommerce.com

- Collaborated with a team to build a full-stack e-commerce website using Node.js, MongoDb, React and Firebase.
  Designed and implemented the front-end interface using HTML, CSS, and JavaScript.
  Integrated MongoDB for efficient data storage and retrieval.

Hobbies:

- ❖ Writing Computer Programs
- ❖ Read and stay up to date
- ❖ Internet surfing
- ❖ Problem-solving
- ❖ Hard work and achievements
- ❖ Team workers

Languages:

- ❖ English
- ❖ French
- ❖ Arabic: Level (beginner)
